**PETITION REQUIRED UNDER 37 C.F.R. SECTION 1.47(a) FOR OTHER INVENTORS TO ACT ON BEHALF OF NON-SIGNING INVENTOR**

**Assistant Commissioner for Patents  
Washington, D.C. 20231**

**Sir:**

Applicants hereby petition under 37 C.F.R. 1.47(a) to have the Nokia Corporation, putative assignee of the subject matter of the subject application as evidenced by the accompanying verified written agreement, act on behalf of themselves and as agent for joint-inventor Anders Frisk with regard to the subject application.

The Patent Attorney in charge of the technology division within Nokia Corporation, Steven A. Shaw--Reg. No. 39368--and his Assistant Beverly Sparkman, have made attempts to secure Mr. Frisk's signature on the Declaration. The application as filed with a Declaration was sent to Mr. Frisk by certified mail to his last known address of:

**2391 Sharon Road  
Menlo Park, CA 94025**

On February 23, 2001, Mr. Frisk sent an e-mail writing that he did not receive any

package.

On March 1, 2001, Mr. Frisk in another e-mail acknowledged the receipt of the package sent by Beverly Sparkman at Steven Shaw's request.

On April 8, 2001, Mr. Frisk indicated in an e-mail that he had not have time to review the application and sign the declaration and was traveling to Japan so would not be able to review the papers until after "tax day" (Applicants assume this to mean April 15, 2001).

On April 19, 2001, Beverly Sparkman, at the request of Steven Shaw, sent an e-mail requesting that the Declaration and Assignment be returned before the six-month deadline for responding to the Notice to File Missing Parts mailed 11/2/2000.

Applicants submit that the foregoing account and supporting documents provide sufficient evidence of Mr. Frisk's refusal to cooperate in the present application, necessitating the present petition.

Hence, applicants hereby petition to file the accompanying Patent Declaration. The Declaration is executed by other joint-inventors named therein. This action is necessary to preserve the rights of the applicants and putative assignee since a response to the Notice to File Missing Parts, which must include an executed Patent Declaration pursuant to 37 C.F.R. Section 1.63, must be filed by May 2, 2001.

The last known address of Anders Frisk is 2391 Sharon Road, Menlo Park, CA 94025.

The Commissioner is authorized to charge the fees due in regards to this communication to Deposit Account No. 50-0270, and to charge any additional fees or credit any overpayment to the same deposit account. Form PTO/SB/17 is included herewith.
